

## **NeverShoutNever - Ladybug**

```
Tom: E
   (interlúdio) A
And hey there lovely ladybug,
You got another thing coming if you think you're loved
You're just another little toy in this game of lust,
           G
                    Ε
That boy is cheatin' on you.
And hey there small town beauty queen,
That sneaky little devil ain't coming clean,
I know that you have just met me,
             G
But girl, you gotta believe me.
That I cant believe,
        В
That the girl I saw 2 months ago,
Was right in front of me.
   Gb
You took the chance to take my name,
   Db
And I couldn't see,
    В
Just what you thought you saw in me,
             Е
```

```
But obviously, its stuck.
(interlúdio) A
And hey there little miss diamond ring,
Is he all that hes cracked up to be?
I find it so hard to believe,
               G
Cause girl, you just can't smile.
And I know I am such a creep,
Goin' 24 hours, 7 days a week,
But I got something to say , got somethin' to say, I got
somethin' to say
to you,
That I cant believe,
That the girl I had one year ago,
Was right in front of me.
   Gb
You took the chance to take my name,
   Db
And I couldn't see,
Just what you thought you saw in me,
             F
```

(gui op)

But obviously, its stuck.
