

# NeverShoutNever - Lost At Sea

Tom: C

Am F C  
If I'm lost at sea,  
G Am F C G  
Tell my mother, my father, my sisters, my brother,  
Am F C G  
My friends and my foes, and all my past lovers,  
F G C  
That I will miss them so.  
F G C F C  
But lord, I had to go.  
  
Am F  
Sorrows, to the sea,  
C G Am  
We're headed to nowhere, but nowhere is somewhere to me.  
F G

Take these broken things,  
F C C  
Turn them to something, but please don't follow me.

[Refrão]

Am F  
Imagine emotion that moves like the ocean,  
C G  
Your mind is the current that drifts with the notion.  
Am F G  
And everyone, everywhere,  
F C D  
Is taking their time, but going nowhere.  
F C G Am F C G Am  
I can't live my life on their time,  
F C G Am F C C  
I just had to run, away.
