

NeverShoutNever - Meet Me Under The Mistletoe (feat. Dia Frampton)

Tom: **B**

B
Darling, won't you tell me
E
What you're doing later on tonight?
E **B**
Tonight

B
My daddy said you're bad news
E **B**
And I gotta keep you out of sight
E **B**
But I might

B
Sneak out of the chimney
E **B**
And bring my favorite dancing shoes
E **B**
I'll find you

B
Don't you worry, girl
E **B**
I'll bring the winter wonderland to you
E **B** (strum and let ring)
All for you

B **E** **Gb**
Meet me under the mistletoe
B **E** **Gb**
Baby, don't try and tempt me more
A **D** **E**
Baby, I'll be by your side

B **E** **Gb**
Kiss me under the mistletoe
B **E** **Gb**
I should really be getting home
A **D** **E**
Baby, let's do Christmas right
Gb (strum and let ring) **B**
So meet me under the mistletoe tonight

B
I'm waiting on the corner
E **B**
But you're late and that's no big surprise
E **B**
It's midnight

B
Darling, hold your horses
E **B**
The reason that I'm running behind
E **B**
Is that I

B
Stole Santa's reindeer
E **B**
Gonna take you on a sleigh ride
E **B**
So hold tight

B
Well, I refuse to go
E **B**
Unless Rudolph is the guiding light
E **B** (strum and let ring)
In our sky

B **E** **Gb**
Meet me under the mistletoe
B **E** **Gb**
Baby, don't try and tempt me more
A **D** **E**
Baby, I'll be by your side

B **E** **Gb**
Kiss me under the mistletoe
B **E** **Gb**
I should really be getting home
A **D** **E**
Baby, let's do Christmas right
Gb (strum and let ring) **B**
So meet me under the mistletoe tonight

B
We don't need no presents
E **B**
'Cause your love's the greatest gift of all
E **B**
It's true love

B
We don't need no boxes
E **B**
Wrapped in ribbons, topped with bows
E **B**
'Cause I know

B
All I want for Christmas
E **B**
Is a kiss under the mistletoe
E **B**
So come close

B
'Cause when our lips meet
E **B**
I feel a fire in the winter cold
E **B** (strum and let ring)
It melts the snow

B **E** **Gb**
Meet me under the mistletoe
B **E** **Gb**
I'll be waiting to keep you warm
A **D** **E**
Baby, I'll be by your side

B **E** **Gb**
Kiss me under the mistletoe
B **E** **Gb**
Don't peek, keep your eyes closed
A **D** **E**
Baby, let's do Christmas right
Gb (strum and let ring) **B**
So meet me under the mistletoe tonight
