

NeverShoutNever - On The Brightside

Tom: C

I met a man of 2 feet tall
This man was quite ambitious
In a world that is so vicious
To us all, I said "hi"
As he replied, he said
Listen to these words that I have lived by my whole life.

Your only as tall
As your heart will let you be
And your only as small
As the world will make you seem
And when the going gets rough
And you feel like you may fall
Just look on the bright side
Your roughly six feet tall

I met a man of 12 feet tall
He towered like a giant
In a world that was defiant of his height
I said "hi" as he replied, he said
Listen to these words that I have dreaded my whole life.

Your only as tall
As your heart will let you be
And your only as small
As the world will make you seem
And when the going gets rough
And you feel like you may fall
Just look on the brightside
Your roughly six feet tall

I am a man of six feet tall
Just looking for some answers
In a world that answers none of them at all
I'll say "hi" but not replied
To the letters that you write
Because i found some piece of mind

Cause I'm only as tall
As my heart will let me be
And I'm only as small
As the world will make me seem
When the going gets rough
And it feels like I may fall
I'll look on the brightside
I'm roughly six feet tall
