

NeverShoutNever - Silver Ecstasy

```
Tom: F
You can't measure love
It has no start
It has no end
Ask me what I mean
There's no in-between
           Bb
There's only you and I
Silver ecstasy
You gave it to me
Wasted so much time
Saying goodbye
Bb
Searching for you and {\bf I}
No one else
            G
   C
Ever loved me like you did
No one else
```
