Capotraste na 1ª casa
Intro: A Dbm D E

I believe in a hope that's so secure
In your love there is no fear, salvation is sure
I believe on the cross you took my pain
All my sins are washed away, forgiven and free

And now I see
As you are, so are we

Let my life resound your praise
As an anthem of your grace
There is power in your name
Hallelujah Jesus you reign
(A Dbm D E)

I believe I am righteous through the one
Your obedience has won, I rest in all you've done
I believe you are everything I need
More of you and less of me, I fall at your feet

And now I see

As you are, so are we

Let my life resound your praise
As an anthem of your grace
There is power in your name
Hallelujah Jesus you reign

(A E D Aadd9 E)

Mountains be cast down, valleys be raised
Christ be exalted, lifted on high

Mountains be cast down, valleys be raised
Christ be exalted, lifted on high

Let my life resound your praise
As an anthem of your grace
There is power in your name
Hallelujah Jesus you reign

Let my life resound your praise
As an anthem of your grace
There is power in your name
Hallelujah Jesus you reign
