

New Hope Club - Let Me Down Slow

Tom: G

Heaven knows we're out of luck
 Been on the point of giving up
 If all is fair in war and love
 Then why do we fight?
 Something ain't right

'Cause we don't really talk about life no more
 I'm just here my own tryna laugh it off
 When the night comes crawling I'm holding on
 For something to change, tension to break
 It's about time

What are you hiding?
 'Cause I got the right to know
 There's something different in the way you look
 What are you fighting?
 If you're gonna let me go
 It's gonna hurt so choose your words

Baby, let me down slow
 Baby, let me down slow
 Baby, let me down slow
 Baby, let me down slow
 Baby, let me down

Who's misguided?
 And who's to blame?
 The first to have the final say?
 If love is just a wicked game
 Why do we play?
 Why do we play?

And it hurts seeing you tryna put me off
 Tryna make me be the one to break it off
 When the night comes crawling, I'm holding on
 For something to change, tension to break
 It's about time

What are you hiding?
 'Cause I got the right to know
 There's something different in the way you look
 What are you fighting?
 If you're gonna let me go
 It's gonna hurt so choose your words

Baby, let me down slow
 Baby, let me down slow
 Baby, let me down slow
 Baby, let me down
