Really want you in my world
                                                                                  (Em Am
                                                                Step one: We can have lots of fun
hey girl, in your eyes
I see a picture of me all the time
                                                                Step Two: There's so much we can do
(step) And girl, when you smile
                                                                Step Three: It's just you and me
You got to know that you drive me wild
                                                                Step Four: I can give you more
                                                                Step Five: Don't you know that the time has arrived
