tom:  
Intro: **G** **C**

**Gm**  
I've been walking in the rain

**C**  
Just to get wet on purpose

**Gm**  
I've been forcing myself

**C**  
Not to forget just to feel worse

**Gm** **C**  
I've been getting away with it all my life

(Getting away)

**Bb** **F**  
However I look it's clear to see

**Gm**  
That I love you more than you love me

**Bb** **F**  
However I look it's clear to see

**Gm**  
I love you more than you love me

( **G** **C** )  
I hate that mirror

It makes me feel so worthless

I'm an original sinner

But when I'm with you I couldn't care less

I've been getting away with it all my life

Getting away with it all my life

(Getting away)

**Bb** **F**  
However I look it's clear to see

**Gm**  
That I love you more than you love me

**Bb** **F**

However I look it's clear to see

**Gm**  
I love you more than you love me

**Bb** **F**  
I love you more than you love me

**Gm**  
More than you love me

( **G** **C** )  
I thought I gave up falling in love  
A long long time ago

I guess I like it but I can't tell you

You shouldn't really know

And it's been true all my life

Yes it's been true all my life

( **G** **C** )  
I've been talking to myself

Just to suggest that I'm selfish

(Getting ahead)

I've been trying to impress

That more is less and I'm repressed

(I should do what he said)  
( **Bb** **F** **Gm** )  
However I look it's clear to see

I love you more than you love me

However I look it's clear to see

I love you more than you love me

I love you more than you love me

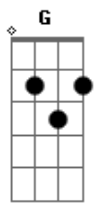

I love you more than you love me

Getting away with it
