

New West - Peace Of Mind

tom:

Em

[Primeira Parte]

D I?m getting pretty tired of writing all my songs about you

D But here I am again still not sure what I?m trying to prove

D I think I got my point across but got no answer from you

D I?m just accepting that I?m gonna have to start something new

[Refrão]

Em Just in case you were thinking about me on a Saturday night

Em I?m doing just fine

[Segunda Parte]

D You broke my heart, broke it again, and put my health under stress

C You found someone then cut your hair and changed the way that you dress

D To each their own, live your best life, and I mean no disrespect

But I hope you found yourself under all of that mess

[Refrão]

Em Just in case you were thinking about me on a Saturday night

G I?m doing just fine (I?m doing alright)

G And just in case you can?t sleep cause the memories still haunt you at night

G I hope that you find, your own peace of mind

[Ponte]

C D I?m moving forward and looking back I have no regrets

G This is the last time I sing about you until I see you again

[Refrão]

Em Just in case you were thinking about me on a Saturday night

C I?m doing just fine (I?m doing alright)

D And just in case you can?t sleep cause the memories still haunt you at night

C I hope that you find, your own peace of mind
