

New West - Those Eyes

Tom: G

When we're out in the crowd
 Laughing loud and nobody knows why
 When we're lost at the club getting drunk
 And you give me that smile
 Going home in the back of a car
 And your hand touches mine
 When we're done making love
 And look up and give me those eyes

?cause all of the small
 Things that you do
 I want to remind
 What I felt for you
 And when we're apart
 And I'm missing you
 I close my eyes
 And all I see is you
 And the small things you do

When you call me at night
 While you're out getting high
 With your friends

Every high, every bye, every ?I love you?
 You ever said
 ?cause all of the small
 Things that you do
 I want to remind
 What I felt for you
 And when we're apart
 And I'm missing you
 I close my eyes
 And all I see is you
 And the small things you do

When we're done making love
 And look up and give me those eyes
 ?cause all of the small
 Things that you do
 I want to remind
 What I felt for you
 And when we're apart
 And I'm missing you
 I close my eyes
 And all I see is you
 And the small things you do
