tom:
B (forma dos acordes no tom de A)
Capostrate na 2ª casa

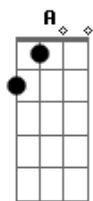

(Out with your friends)

Every hi, every bye, every I love you you've ever said
(You've ever said)

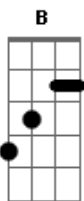

When we're out in a crowd, laughing loud, and nobody knows why 'Cause all of the small things that you do
When we're lost at a club, getting drunk, and you give me that Are what remind me why I fell for you
Smile And when we're apart and I'm missing you
Going home in the back of a car and your hand touches mine I close my eyes and all I see is you
When we're done making love and you look up and give me those And the small things you do
Eyes
'Cause all of the small things that you do
Are what remind me why I fell for you
And when we're apart and I'm missing you
I close my eyes and all I see is you
And the small things you do
When you call me at night while you're out getting high with your
Friends

When we're done making love and you look up and give me those
Eyes
'Cause all of the small things that you do
Are what remind me why I fell for you
And when we're apart and I'm missing you
I close my eyes and all I see is you
And the small things you do
All the small things you do
