tom:

E

E7 **B7** **A7** **E7**

Oh I wish the night was never ending

E7 **Gb7** **Abm** **Abm**

Everything you do is something new

But I know there's something you want to tell me

B7 **E7** **B7**

Well you know, you can't lie to your heart

E7 **B7** **A7** **E7**

There's no reason we should be pretending

E7 **Gb7** **Abm** **Abm**

I can tell from all those things you do

E7 **Eb7** **Abm** **Db7** **E7**

Yes, I know there's something you want to tell me

B7 **E7** **B7**

Well you know, you can't lie to your heart

Abm **Db7**

So come with me (yes come with me)

Abm **Db7** **E7** **B7** **E7**

B7

Cause something tells me that you know you can't lie to your heart

(**E7** **B7** **A7** **E7** **Gb7** **Abm** **Abm**)

(**E7** **Eb7** **Abm** **Db7** **E7**)

B7 **E7** **B7**

Well you know, you can't lie to your heart

Abm **Db7**

So come with me (yes come with me)

Abm **Db7** **E7** **B7** **E7**

Cause something tells me that you know you can't lie to your heart

E7

So after all and though the night is ending

E7 **Gb7** **Abm** **Abm**

We'll find something else for us to do

E7 **Eb7** **Abm** **Db7** **E7**

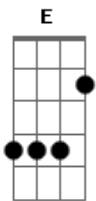

Cause you know there's something I want to tell you

B7 **E7** **B7**

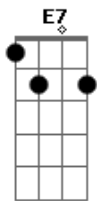

And I know, I can't lie to my heart

(**E7** **B7** **A7** **E7**)
