

Newsboys - Giving It Over

Tom: **A**
 Tabbed by Dan Tarbotton

NOTE
 This song appears on the album "Thrive". It is a very simple song to play and is made up of power chords completely, at least in my version. Hope like it. If there are any problems correct it or email me at please. I've been playing guitar for a year but I'm obsessed. This is my first tab, i think it's pretty good.

- h = hammer on
- p = pull off
- / = slide up
- \ = slide down
- ~ = let ring
