You don't get it man you want to boilit down to show biz.

Your in-depth research shows:

drop the God, emphasize the beat

I've heard that positive pop you dig--

I'd rather be buried in wet concrete

I am not running for office here

I won't keep it purposefully vague

I've heard New Age Life-force trip

I'd rather be dipped in bubonic plague

Chorus 2: with Riff **A**

Take back your free advice

I don't accept

I will not play those games

3 God is not a secret to be kept

God is not a secret to be kept

If we keep silent

If we mass defect

These very rocks will scream

God is not a secret to be kept

God is not a secret to be kept

**A**

Did not my silence put him there?

Chorus: with Riff **A**

Take back your free advice
