G
As soon as I open up my eyes

With your light and

Trying to steal my hope

Some days I break

I lose my way

More doubt than faith

G
But every time I'm in that fight

Your love keeps pulling me back

A
Pulling me back, it's magnetic

G
I've pushed away but I can't escape

D
Your love keeps pulling me back

A
Pulling me back, it's magnetic

G
Your goodness won't give up on me

G
It's a fountain flowing so deep

D
You're so patient and so gracious

A
It's unconditional

Even when my heart is in the wrong place
