

# Newsboys - Running To You

Tom: **B**

Intro: **B Gb E**

**B**  
Somebody told me about a place  
**Abm Gb**  
Oh I can see it  
**E**  
But I've got to change my ways  
**B**  
Day after day it's the same old thing  
**Abm Gb E**  
I keep repeating, the reason I stay this way

**B Abm Gb**  
I know what I have to do  
**E Abm Gb**  
Get back to what I know is true

Refrão:

**Abm**  
When everything is broken,  
**E**  
There's a door wide open  
**B Gb**  
You'll find me running through  
**Abm**  
More than just emotion  
**E**  
My broken heart has chosen,  
**B Gb**  
Jesus I'm running to You

**Abm**  
I'm running to You

**Abm**  
I'm running, running to you  
**E Gb E**  
I'm running, running to you

**B**  
I can see the tear on your face  
**Abm Gb**  
You feel defeated  
**E**  
Wondering what are you living for  
**B**  
Selfish dreams left you time and time  
**Abm Gb**  
Empty-handed

**E**  
There's got to be something more

**B Abm Gb**  
You know what you have to do  
**E Abm Gb**  
Get back to Who you know is true

**E**  
You're the only one

**Abm**  
Who can fix what I've become  
**E Abm** (I prefer **Gb** here)  
Oh God, I believe in your love
