

## **Newsong - Jesus To The World**

```
Intro: Gbm Bm Gbm Bm
A little girl who is hungry
Prays for something she can eat
A single mom doing all she can
         Bm
Finds herself out on the street
     Bm
                 Α
Will we see their need and hear their cries
         Е
                         Gbm
Look at our watch and just walk on by
                  Gbm
Or will we stop and take the time
     D
To be Jesus in their lives
We need to be lambs that roar
            D
We need to be eagles that soar
We need to be salt, we need to be light
                         Ε
              G
We need to be Jesus to the world
                     Е
We need to take love into the streets
             D
                   E A
Be willing to turn the other cheek
We need to be strong, we need to be weak
We need to be Jesus
             Gbm Bm
Jesus to the world
       Jesus came with a message
           Bm
That would change the way we live
       He showed us all by example
        Bm
What the heart of heaven is
He saw our need and He heard our cry
```
