There'll be no strings to bind your hands not if my love can't bind your heart.

And there's no need to take a stand for it was I who chose to start.

**Am** **C** **D** **Am** **C** **D**

I see no need to take me home, I'm old enough to face the dawn.

then slowly turn away from me.

Maybe the sun's light will be dim and it won't matter anyhow.

If morning's echo says we've sinned, well, it was what I wanted now.

And if we're the victims of the night, I won't be blinded by light.

Just call me angel of the morning angel  
just touch my cheek before you leave me, baby.

Just call me angel of the morning angel  
then slowly turn away, I won't beg you to stay with me  
through the tears of the day, of the years, baby baby baby.

Just call me angel of the morning angel  
just touch my cheek before you leave me, baby.
