

Ney Matogrosso - Coração Civil

tom:

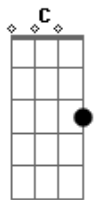

Quero a utopia, quero tudo e mais
Quero a felicidade nos olhos de um pai
Quero a alegria muita gente feliz
Quero que a justiça reine em meu pa_ís
Quero a liberdade, quero o vinho e o pão
Quero ser amizade, quero amor, prazer
Quero nossa cidade sempre ensolarada
Os meninos e o povo no poder, eu que___ro ver

São José da Costa Rica, coração civil
Me inspire no meu sonho de amor Brasil
Se o poeta é o que sonha o que vai ser real
Bom sonhar coisas boas que o homem faz
E esperar pelos frutos no quintal
Sem polícia, nem a milícia, nem feitiço, cadê poder?
Viva a preguiça viva a malícia que só a gente é que sabe ter
Assim dizendo a minha utopia eu vou levando a vida
Eu vou viver bem melhor
Doido pra ver o meu sonho teimoso, um dia se realizar
