

# Ney Matogrosso - O Vira

Tom: A

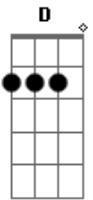

O gato preto cruzou a estrada  
 Passou por debaixo da escada  
 E lá no fundo azul na noite da floresta  
 A lua iluminou  
 A dança, a roda e a festa  
 Vira, vira, vira  
 Vira, vira, vira homem, vira, vira

Vira, vira lobisomem, vira, vira  
 Bailam corujas e pirilampos  
 Entre os sacis e as fadas  
 E lá no fundo azul na noite da floresta  
 A lua iluminou  
 A dança, a roda e a festa  
 Vira, vira, vira homem, vira, vira  
 Vira, vira lobisomem, vira, vira
