                    Bbm

               Bbm
I just wanna run away
Ab
Find somewhere that feels safe
Fm
Find somewhere the bad days

Don't come as often in this sad phase
Bbm
Somewhere I can be alone
                  Ab
Where I don't have to run away from my flaws
                Fm
And I don't have to be afraid of my thoughts

This high, this high that I've been chasing
