I can't give up the fight
```

[Refrão]

```
 F
Love the way you hurt me
       G                          Em    Am
And it doesn't even cross your mind, oh
 F
Tell me that you love me
       G                       Em  Am
But I know you're out there runnin' wild, oh
F                              G
And give me all the pain, give me everything
Em                      Am
Don't hold back, don't hold back
F
Leavin' me in pieces, but

I swear it's worth it every time
      Am
And it doesn't even cross your mind

Pull my heart right out my chest
  G
Drive a train through
Em                   Am
Still get up and forgive you
