[Primeira Parte]

Picking up boxes with our teeth

Playing games we never played before

I was loud as hell, you were so discreet

So typical of me for sure

[Pré-Refrão]

A B E Dbm

Knives, forks, and things I've never felt before

[Refrão]

Crashing lights when you first saw me

Yeah, I met you at a dinner party

Chandeliers, 2 a.m. coffee

Yeah, I met you at a dinner party

[Segunda Parte]

We were piss drunk, fought just for fun

'Bout who would be the first to leave

One kiss on your neck, it was so concrete

I'm done looking for somebody

[Pré-Refrão]

Behind closed doors, things I never felt before

[Refrão]

Crashing lights when you first saw me

Yeah, I met you at a dinner party

Chandeliers, 2 a.m. coffee
