I'm jealous, I'm overzealous
When I'm down, I get real down, when I'm high, I don't come down
I get angry, baby, believe me
I could love you just like that and I could leave you just this fast

But you don't judge me
'Cause if you did, baby, I would judge you too
No, you don't judge me
If you did, baby, I would judge you too

I got issues, you got 'em too
Give 'em all to me and I'll give mine to you
Bask in the glory of all our problems
'Cause we got the kind of love it takes to solve 'em
I got issues, one of them is how bad I need you

You do it on purpose
You get mad and you break things, feel bad, try to fix things
But you're perfect, poorly wired circuit
And got hands like an ocean, push you out, pull you back in

But you don't judge me
If you did, baby, I would judge you too
No, you don't judge me

'Cause if you did, baby, I would judge you too

I got issues, you got 'em too
Give 'em all to me and I'll give mine to you
Bask in the glory of all our problems
'Cause we got the kind of love it takes to solve 'em
I got issues, one of them is how bad I need you

I got issues
Oh, I got issues
I got issues
Yeah, I got issues

I got issues, you got 'em too
Give 'em all to me and I'll give mine to you
Bask in the glory of all our problems
'Cause we got the kind of love it takes to solve 'em

I got issues, you got 'em too
Give 'em all to me and I'll give mine to you
Bask in the glory of all our problems
'Cause we got the kind of love it takes to solve 'em
I got issues, one of them is how bad I need you
