

Niall Horan - Our Song (feat. Anne-Marie)

tom:

Bm

[Primeira Parte]

Bm A D G
I'll be honest, I'm alright with me
Bm A D G
Sunday mornings, in my own bedsheets
Bm A
I've been waking up alone
D G
I haven't thought of her for days
Bm A D G
I'll be honest, it's better off this way

[Pré-Refrão]

G
But every time I think that
Bm
I can get you out my head
A D
You never ever let me forget 'cause

[Refrão]

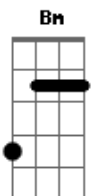

Bm A
Just when I think you're gone
D G
Hear our song on the radio
Bm A
Just like that, takes me back
D G
To the places we used to go
Bm
And I've been trying
A
But I just can't fight it
D
When I hear it
G
I just can't stop smiling
Bm A
I remember you're gone, baby
D G
It's just the song on the radio
D G
That we used to know

[Segunda Parte]

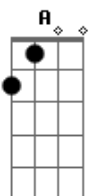

Bm A D G
I'll be honest, I'm alright with me
Bm A D G
Sunday mornings, in my own white tee
Bm A
I've been waking up alone
D G
I haven't thought of him for days
Bm A D
I'll be honest, ha
G
It's better off this way

[Pré-Refrão]
