

Niall Horan - Seeing Blind

Tom: A

I have seen, seen it all in paper dreams
 Watched it unfold on the screen
 But I never understood
 I have heard, have heard you speak a million words
 Now you're talking to me first
 I never thought you would
 Oh, my, my, you just took me by surprise
 And I can't believe my eyes
 Oh, I must be seeing blind
 Oh, no I, you're too good to be all mine
 Now I'm looking in your eyes
 Oh, I must be seeing blind
 I was young, my heart was always on the run
 But you make lovin' fun
 I never knew it could be
 Hey, I see you from a different point of view
 I feel it's too good to be true

I found my missing piece
 Oh, my, my, you just took me by surprise
 And I can't believe my eyes
 Oh, I must be seeing blind
 Oh, no I, you're too good to be all mine
 Now I'm looking in your eyes
 Oh, I must be seeing blind
 (D A Gbm E)
 Oh, my, my
 when I look into your eyes
 It's a sight I can't describe
 Oh I must be seeing blind
 Oh, my, my, you just took me by surprise
 And I can't believe my eyes
 Oh, I must be seeing blind
 Oh, no I, you're too good to be all mine
 Now I'm looking in your eyes
 Oh, I must be seeing blind
 Oh, I must be seeing blind
