Darlin'

Em D G

are you always tryin' to blame me?

Em D G

Is it me or 'cos you came here?

Bm

Just accept that time was wrong

Em D G

Oooh, change thee

Em D G

I've been thinkin' bout it lately

Em D G

We never finished what we started

Bm

Now I'm fearful that it's gone

C G

Let's keep this open

Em D

There won't be any more hearts that are broken

C Em D

Hold on, hold on

C G

Don't leave me wastin' all alone

Em D

Wondering where the time has gone

C Em

I know it's hard to keep keeping on

D

Don?t leave it wasted

Em D G

Someday

Em D G

It could be more then we intended

Em D G

And we'll be happy that we waited

Bm

When it's all been said and done

Em D G

Oooh, and you have changed me

Em D G

And we both got what we wanted

Em D G

And looking back it's complicated

D

But we would've happened all along

C G

So keep this open

Em D

There won't be any more hearts that are broken

C Em D

Hold on, hold on

C G

Don't leave me wastin' all alone

Em D

Wondering where the time has gone

C Em

I know it's hard to keep keeping on

D

Don?t leave it wasted

C G

Don't leave me wastin' by myself

Em D

Let's leave emotions on the shelf

C Em

I swear there ain't nobody else

D

Don't leave me wasted

D

Don't leave me wasted

C G

Don't leave me wastin' all alone

Em D

Wondering where the time has gone

C Em

I know it's hard to keep keeping on

D

Don?t leave it wasted

C G

Don't leave me wastin' all alone

Em D

Wondering where the time has gone

C Em

I know it's hard to keep keeping on

D

Don?t leave it wasted

C G

Don't leave me wastin' by myself

Em D

Let's leave emotions on the shelf

C Em
