

Nick Cave & The Bad Seeds - People Ain't No Good

Tom: C

People just ain't no good C G F
I think that's well understood C G F
You can see it everywhere you look C G F
People just ain't no good G G7

We were married under cherry trees C G F
Under blossom we made our vows C G F
All the blossoms come sailing down C G F
Through the streets and through the playgrounds G G7

The sun would stream on the sheets C G F
Awoken by the morning bird C G F
We'd buy the Sunday newspapers C G G7
And never read a single word

People they ain't no good C G F
People they ain't no good C G F
People they ain't no good C G F G G7
People they ain't no good

Seasons came, seasons went C G F
The winter stripped the blossoms bare C G F
A different tree now lines the streets C G G7
Shaking its fists in the air

The winter slammed us like a fist C G F
The windows rattling in the gales C G F
To which she drew the curtains C G G7

Made out of her wedding veils

People they ain't no good C G F
People they ain't no good C G F
People they ain't no good C G F G G7
People they ain't no good

To our love send a dozen white lilies C F
To our love send a coffin of wood C F
To our love let all the pink-eyed pigeons coo C F
That people they just ain't no good Dm G

To our love send back all the letters C F
To our love a valentine of blood C F
To our love let all the jilted lovers cry Dm G
That people they just ain't no good

It ain't in their hearts they're bad C G F
They can comfort you, some even try C G F
They nurse you when you're ill of health C G G7
They bury you when you go and die

It ain't that in their hearts they're bad C G F
They'd stick by you if they could C G F
But that's just bullshit C G G7
People just ain't no good

People they ain't no good C G F
People they ain't no good C G F
People they ain't no good C G F
People they ain't no good C G F G
People they ain't no good
