

# Nick Drake - Clothes Of Sand

tom:

G

G2 F G2 F

G2 F G2

Who has dressed you in strange clothes of sand?

Who has taken you far from my land?

G2 F G2

Who has said that my sayings are wrong

And who will say that I stayed much too long

CHORUS:

Eb F G2

Clothes of sand have covered your face

Eb D2

Given you meaning but taken my place

Eb F G2 G2 G2

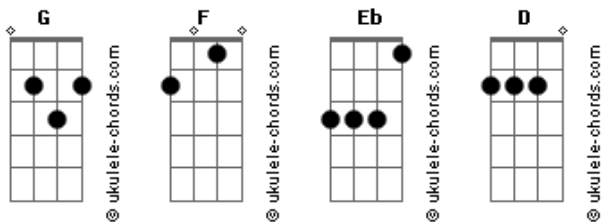

So make your way on down to the sea

Eb D2 G2 F G2

Something has taken you so far from me

Does it now seem worth all the colour of skies  
To see the earth through painted eyes  
To look through panes of shaded glass

## Acordes

See the stains of winter's grass?

Can you now return to from where you came  
Try to burn your changing name  
Or with silver spoon and coloured light  
Will you worship moons in winter's night

CHORUS:

Clothes of sand have covered your face  
Given you meaning but taken my place  
So make your way on down to the sea  
Something has taken you so far from me G2 F

NOTES: My ear isn't good enough to give the full picking pattern, but listen to the record and you can get very close. It is important to emphasise the base note (the bottom note of each chord). Also, before playing the Eb chord, always hit the 6th string open base note first (D ) then the Eb base note then the rest of the picking pattern.
