[Primeira Parte]

Yes, I'll admit I was terrified  
 Until the moment I saw your eyes  
 I became a different man  
 When I held your tiny hands in mine  
 Yes, the first words I heard you say  
 Yes, I remember them like yesterday  
 Time is blowing in the breeze  
 And you're growing up right in front of me  
 You're daddy's little girls  
 Precious little angels  
 Dancing in the living room, and drawing on the table  
 And wearing mamma's pearls  
 Putting on her makeup  
 Even though I know these moments  
 They won't last forever  
 To me, you'll always be, daddy's little girls  
 And someday you'll be dressed in white  
 All breathless with butterflies  
 In my mind, I'll let you go  
 But in my heart, you know you'll always stay

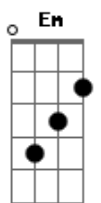

Always stay

Daddy's little girls  
 Precious little angels  
 Dancing in the living room, and drawing on the table  
 And wearing mamma's pearls  
 And putting on her makeup  
 Even though I know these moments  
 They won't last forever  
 To me, you'll always be  
 But until then I'll cherish every kiss goodnight  
 And every door you slam and every little fight  
 I'll be there for you even when I'm gone  
 You'll just listen to this song  
 It's like nothing's changed at all  
 You're still daddy's little girls  
 Precious little angels  
 Dancing in the living room, and drawing on the table  
 Wearing mamma's pearls  
 Putting on her makeup  
 Even though I know these moments  
 They won't last forever  
 To me, you'll always be  
 Woah, to me  
 You'll always be  
 You're still daddy's little girls
