I admit inside me lives fear

Fear I never wanted to show you

They haunt all of my dreams
Bbm7
The green twins with your eyes

They haunt all of my dreams

The green twins with your eyes

If I had it my way
A
We would've stayed where we started

But someone said we ain't ready
Em7
I admit inside me lives fear

They haunt all of my dreams

The green twins with your eyes

They haunt all of my dreams
