

Nick Hakim - Green Twins

Tom: **E**

m7
I watched life inside of you grow **Bbm**
A **Abm**
Every month a little bit bigger
Em **Bbm**
All the things that bothered your soul
A **Abm**
Make me smile and go crazy

Em **Bbm**
I wanted to start it with you
A **Abm**
But someone said we ain't ready
Em **Bbm**
I admit inside me lives fear
A **Abm Gm**
Fear I never wanted to show you

Gbm **Abm**
They haunt all of my dreams
Bbm **A**
The green twins with your eyes
Gbm **Abm**
They haunt all of my dreams
Bbm **A**

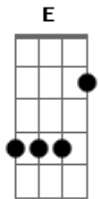

The green twins with your eyes

Em **Bbm**
We could've moved to L.A.
A **Abm**
It's always sunny right out there
Em **Bbm**
If I had it my way
A **Abm**
We would've stayed where we started

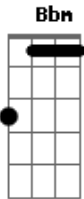

Em **Bbm**
I wanted to start it with you
A **Abm**
But someone said we ain't ready
Em **Bbm**
I admit inside me lives fear
A **Abm Gm**
Fear I never wanted to show you

Gbm **Abm**
They haunt all of my dreams
Bbm **A**
The green twins with your eyes
Gbm **Abm**
They haunt all of my dreams
Bbm **A**
The green twins with your eyes
