

Nick Jonas & The Administration - Verpers Goodbye

tom: A Tab para os versos

Intro: [Tabs] (2x)

A E D

Verso 1: [Tabs]

All of you have shaped me into what I am

Carried out the bitter man

Do you have a master plan?

Oh no

Somewhere I let all my defences down

Never thought to turn around

And you did not make a sound

[Refrão]

See it turning red

Like a bullet through the chest

Lay me down to rest

It's a lover's final breath

Verso 2: [Tabs]

I found out

Nothing comes without a cost

Life was just a game we lost

Do you have a better thought?

Oh no

Now you're gone

Nothing's ever felt so wrong

A Moment seems to last so long

Do you have a fear so strong?

[Refrão]

See it turning red

Like a bullet through the chest

Lay me down to rest

It's a lover's final breath

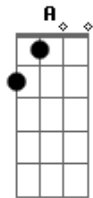

Final: [Tabs]

Now i die

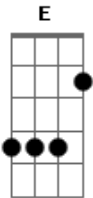

Kiss your tender lips goodbye

Pray to God he hears my cry
