

# Nick Jonas - Avalanche (feat. Demi Lovato)

Tom: C

Am F C G

Words like a loaded gun (oh, oh)  
Shot out from a fire tongue (oh, oh)  
Love lost from a fight that was won (oh, oh)  
And I can see you breaking down  
The end to a falling out

Am F C G

I got pride, you can't hold your breath  
We'll crash down like an avalanche

Am F C G

Look out now, don't take one more step  
We'll crash down like an avalanche, avalanche

Am F C G

I never wanted it to turn out this way  
Now forever feels like yesterday  
Sorry is something that I just can't say  
Can you see me breaking down?  
The end to a falling out

Am F C G

I got pride you can't hold your breath  
(Even if we survive)  
We'll crash down like an avalanche  
(Crash down, crash down)

Am F C G

Look out now, don't take one more step  
(Even if we survive)  
We'll crash down like an avalanche, avalanche  
(Crash down, crash down)

Am F C G

Oh, we'll crash down, yeah  
Oh, like an avalanche

Am F C G

I got pride, you can't hold your breath  
We'll crash down like an avalanche, oh

Am F C G

I got pride you can't hold your breath  
(Even if we survive)  
We'll crash down like an avalanche  
(Crash down, crash down)

Am F C G

Look out now, don't take one more step  
(Even if we survive)  
We'll crash down like an avalanche, avalanche  
(Crash down, crash down)

Am F C G

Oh, we'll crash down, crash down  
Oh, just like an avalanche
