Tom: **Bb**

(com acordes na forma de
Capotraste na 3ª casa

G)

[Verse 1]

Em **D** **C**
How many times have we been here before?
Em **D** **C**
How many pieces have to break?
Em **D** **C**
So many reasons not to celebrate
Am **B7**
But I hate to see you cry so let's drink before goodbye

Em **D** **C**
I got a bottle I've been saving up
Em **D** **C**
Thought that we'd drink it all night, hey
Em **D** **C**
We were the opposite of breaking up
Am
Can't believe I'm losing you
B7
We just opened up too soon

[Chorus]

Em **D** **C**
We got champagne problems
Em **D** **C**
Only one way to solve 'em
Em **D** **C**
Raising our glass cause it's our loss
Am **B7**
With these champagne problems
Em **D** **C**
Just keep on, keep on drinking
Em **D** **C**
Keep on, keep on drinking
C
Keep on, keep on...

[Verse 2]

Em **D** **C**
How did our clothes end up on the floor?
Em **D** **C**
Didn't we just break each other's hearts?
Em **D** **C**
Didn't you have one foot out the door?
Am **B7**
Better to fall in love than lose, wish I didn't have to choose

[Chorus]

Em **D** **C**
We got champagne problems
Em **D** **C**

Only one way to solve 'em
Em **D** **C**
Raising our glass cause it's our loss
Am **B7**
With these champagne problems
Em **D** **C**
Just keep on, keep on drinking
Em **D** **C**
Keep on, keep on drinking
C
Keep on, keep on...

[Bridge]

Em **D** **C** 2x
C
We got champagne problems
Em **D** **C**
Oh my God, the room is spinning from the Perignon
Em **D** **C**
And you're still with me but you're very gone
Em **D** **C**
It feels so right but we both know it's wrong
Am
When you got, when you got, when you got....

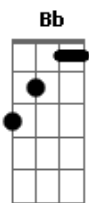

[Chorus]

Em **D** **C**
We got champagne problems
Em **D** **C**
Only one way to solve 'em
Em **D** **C**
Raising our glass cause it's our loss
Am **B7**
With these champagne problems
Em **D** **C**
Just keep on, keep on drinking
Em **D** **C**
Keep on, keep on drinking
C
Keep on, keep on...
Em **D** **C**
Champagne problems
Em **D** **C**
Only one way to solve 'em
Em **D** **C**
Raising our glass cause it's our loss
Am **B7**
With these champagne problems
Em **D** **C**
Just keep on, keep on drinking
Em **D** **C**
Keep on, keep on drinking
C
Keep on, keep on...

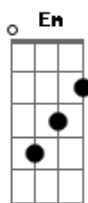

[Outro]

Em **D** **C** 2x
We got champagne problems, woo
