

Nick Jonas - Critical

Tom: Eb

There's a storm coming up and I gotta prepare myself
'Cause this feeling's getting stronger everyday
Something's creeping inside, everything is about to change
Gotta face the fact that I can't walk away

This is critical, I'm feeling helpless
So hysterical, and this can't be healthy
I can't even sleep when you're not with me
Baby, you're the air I breathe
This is critical, yeah
So stuck on you

Used to have everything figured out, but it's different now
When you came, you saw. You conquered my heart
It's your laugh and your smile, wanna stay for a little while
I don't wanna go, I just want you in my arms

This is critical, I'm feeling helpless
So hysterical, and this can't be healthy
So stuck on you

I can't even sleep when you're not with me
Baby, you're the air I breathe
This is critical, yeah
So stuck on you

Used to run and hide
Used to bend our love
But I can't scape this time
Oh nooo

This is critical, I'm feeling helpless
So hysterical, and this can't be healthy
I can't even sleep when you're not with me
Baby, you're the air I breathe
This is critical, yeah

Baby, it's so critical (critical)
It's so critical (critical), Yeah
I don't like it
It's so critical (critical)
It's so critical (critical), Yeah
So stuck on you
