

Nick Jonas - I Need You

tom: G [Primeira Parte]

I need you
 'Cause I think you're proof of heaven
 Like angels all around your every move
 I need you
 'Til we're past the point of counting
 'Til forever is a boundary we blow through

[Refrão]

I need you (Ooh)
 Mm-mm (Ooh)
 Mm-mm, mm (Ooh)

[Segunda Parte]

I need you
 'Til the decades turn to centuries
 Yeah, they're gonna tell the story of me and you
 I need you
 You make me wish I was immortal
 So I can spend a million more lives with you, oh

[Refrão]

I need you (Ooh)
 Oh-oh-oh (Ooh)
 Oh-oh-oh (Ooh)
 Yeah, I need you

[Ponte]

When I'm lost, I look in your direction
 You're the source of my protection
 When I fly too close to the sun
 And when I'm lost (Ooh)
 I see God in your reflection
 And I'll never had to question
 That you're the only one
 I need you
 If you ever need reminding
 In the laughter and the crying, I'll come through

[Terceira Parte]

Oh-oh, I need you (Ooh)
 'Cause I know you're proof of heaven
 And there's angels all around your every move
 I need you
 'Til we're past the point of counting
 'Til forever is a boundary we grow through

[Final]

I need you (I need you)
 Oh-oh-oh-oh (I need you)
 I need you
 Oh-oh, oh-oh (I need you)
 Mm, I need you
