

Nick Lowe - Heart Of The City

tom:

[Primeira Parte]

In the heart of the city
Where the alligators roam
I'm a little lost when
Ain't got no place to go

Now I ain't got one minute
Just gotta sit on my back
I left home in a hurry
'Til I'm never going back

[Refrão]

I'm looking for a home
In the heart of the city
(A D A)

[Segunda Parte]

Now I'm stepping on the street
And I'm stepping up the hill
And I'm looking for a lover
Looking, looking everywhere

Maybe I'm in with a chance?
I hear clickety clack
It's a girl my lord

I see her

Stop

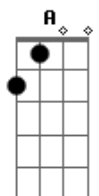

Check

Turning double fast

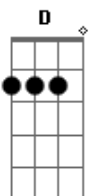

[Refrão]

I'm looking for a lover
In the heart of the city
(A D A)

[Refrão]

I'm looking, I'm looking
I'm looking, I'm looking
I'm looking, looking
Looking, looking
Looking everywhere
In the heart of the city

(A D A)

[Terceira Parte]

Well in the heart of the city
Well it's part of the stars
I hear that cassette music
On a thousand guitars

Hey, the boys are on the prowl
They're checking out meat
They know a bird in the hand
Is worth two on the street

[Refrão]

They're checking the meat
In the heart of the city
(A D A)

Well I said

[Final]

The heart, heart
Of the city
Heart, heart
Oh yeah

Heart, heart
Of the city
Heart, heart
Oh yeah
