Nickelback - Curb

```
Tom: C
Intro: G - C - F - A (2X)
G         C            F
Have I gone all too far?
              A             G
Have I been here before?
      C          F     A G
If I have let me know
        C         F    A
How it goes

G       C      F
Take her place
A
And I will
G       C      F
See her face
A
No reason
G   C   F
Let it slide
A
And I will
G          C    F
Watch her die...

G         C
To run through fields
F           A
to find, and I will
G        C          F
Hold, then lead, then lie
           A
and I will... no I won't

G      C              F
Is it now really time?
        A              G
Can I just give mind, if
      C            F
I can simply trade
        A
Deal Made?

G       C      F
Take her place
```
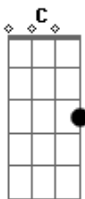

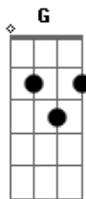

```
A
and I will
G      C      F
see her face
A
No reason
G   C  F
Let it slide
A
and I will
G      C      F
watch her die...

G           C
To run through fields
F              A
to find, and I will
G        C               F
Hold, then lead, then lie
A
and I will...

G      C      F       A
Run, hide away from me
G              C          F
Deloused, to seek, decide
               A
and I will, no I won't

G            C
To run through fields
F               A
to find, and I can't
G        C             F
To run, thought fields, then lie
          A
and I will... no I won't

G            C
To run through fields
F            A
to find, and I will
G        C               F
Hold, then lead, then lie
A
and I will...
