(D D G G)

I missed you so much
That I begged you to fly and see me
You must've broke down
Coz you finally said that you would
But now that you're here
I just feel like I'm constantly dreaming
              C   G
Coz something's gotta go wrong Coz I'm feelin' way too damn
good

(D D G G)
For 48 hours I don't think that we left my hotel room
Should show you the sights
Coz I'm sure that I said that I would
We gotta make love just one last time in the shower
              C   G
Coz something's gotta go wrong Coz I'm feelin' way too damn
good
            Bb   F

And it's like, every time I turn around
C   G
I fall in love and find my heart face down and
F   F   C, A#,G,F,G
Where it lands is where it should
 Bb   F   C
G
This time it's like The two of us should probably start to
fight
                                   F
Coz something's gotta go wrong
                            G   (Intro)
D Coz I'm feeling way too damn good, oh

Feelin' way too damn good

(D D G G)
Sometimes I think best if left in the memory
It's better kept inside than left for good
Lookin' back each time they tried to tell me
                       C   G
D D
well something's gotta go wrong Coz I'm feelin' way too damn
good
