

# Nickelback - If Everyone Cared

Tom: A  
Intro:

From underneath the trees  
We watch the sky  
Confusin' stars for satellites  
I never dreamed that you'd be mine  
But here we are, we're here tonight

(pre-refrão)  
Singin' amen I  
I'm alive I'm alive  
Singing amen I, I'm alive

(refrão)  
If everyone cared and nobody cried  
If everyone loved and nobody lied  
If everyone shared and swallowed their pride  
Then we'd see the day when nobody died

And In the air the fireflies  
Are only light in paradise  
We'll show the world that they were wrong  
And teach them all to sing along

(pré-refrão)  
singing amen I  
I'm alive (2x)  
(refrão)  
If everyone cared and nobody cried  
If everyone loved and nobody lied  
If everyone shared and swallowed their pride  
Then we'd see the day when nobody died (2x)

(solo)  
And as we lie beneath the stars  
We realize how small we are  
If they could love like you and me  
Imagine what the world could be

(refrão)  
If everyone cared and nobody cried  
If everyone loved and nobody lied  
If everyone shared and swallowed their pride (x2)  
Then we'd see the day when nobody died  
We'd see the day we'd see the day when nobody died  
We'd see the day we'd see the day when nobody died  
we'd see the day when nobody died
