Tom: **A**

(Primeira Parte)

**E** Look at this **B** photograph  
 Everytime I do it makes me **D** laugh  
 How did our eyes get so **A** red  
 And what the hell is on Joey's **E** head  
 And this is where I **B** grew up  
 I think the present owner fixed it **D** up  
 I never knew we'd ever went without **A**  
 The second floor is hard for sneakin' **E** out  
 And this is where I went to **B** school  
 Most of the time had better things to do **D**  
 Criminal record says I broke in **A** twice  
 I must have done it half a dozen **E** times  
 I wonder if It's too **B** late  
 Should I go back and try to **D** graduate  
 Life's better now then it was back **A** then  
 If I was them I wouldn't let me **G** in  
 Oh oh oh **A**  
 Oh god I  
 (Refrão)  
**E** Every memory of looking out the back door  
 I had the photo album spread out on my bedroom **B** floor  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
**E** Every memory of walking out the front door  
 I found the photo of the friend that I was looking **B** for  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
**E B G A**  
 (Primeira Parte com Variação na letra)  
**E** Remember the old **B** arcade?  
 Blew ever dollar that we ever **D** made  
 The cops hated us hanging **A** out  
 They said somebody went and burned it **E** down  
 We used to listen to the **B** radio  
 And sing along with every song we'd **D** know  
 We said someday we'd find out how it **A** feels  
 To sing to more than just the steering **E** wheel  
**B**

Kim's the first girl I kissed  
 I was so nervous that I nearly **D** missed  
 She's had a couple of kids since then **A**  
 I haven't seen her since god knows **G** when  
 Oh oh oh **A**  
 Oh god I  
 (Refrão)  
**E** Every memory of looking out the back door  
 I had the photo album spread out on my bedroom **B** floor  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
**E** Every memory of walking out the front door  
 I found the photo of the friend that I was looking **B** for  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
**C7M D**  
 (Segunda Parte)  
**E** I miss that **B** town  
 I miss their **G** faces  
 You can't erase **A**  
 You can't replace **E** it  
 I miss it now **B**  
 I can't believe **G** it  
 So hard to stay **A**  
 Too hard to leave **E** it  
 If I could I relive those **B** days  
 I know the one thing that would never **D** change  
 (Refrão)  
**E** Every memory of looking out the back door  
 I had the photo album spread out on my bedroom **B** floor  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
**E** Every memory of walking out the front door  
 I found the photo of the friend that I was looking **B** for  
 It's hard to say it, time to say **D** it  
**A** Goodbye, goodbye  
 (Parte Final)  
**E** Look at this **B** photograph  
 Everytime I do it makes me **D** laugh  
 Everytime I do it makes me **A**
