

Nickelback - This Afternoon

```
Intro: G D C D x2
Intro: (2x)
Looking like another Bob Marley day
Hitting from the bong like a diesel train G D C
And im down with hanging out this afternoon
We got weeds in the back yard 4 feet tall
Cheech and Chong probably would have smoked them all
So im out, on the couch this afternoon
beer bottles laying on the kitchen floor
If we take 'em all back we can buy some more \begin{tabular}{c} \end{tabular}
So i doubt we'll go without this afternoon
                                                   0h!
Better hang on if your tagging along
G
Em
Cos we'll be doing this till 6 in the morning
Nothing wrong with going all night long
Tough to put the brakes on doesn't matter when you got to \operatorname{\mathsf{Fm}}
Get up, go out
Me and all my friends
Em D
Drink up, fall down
We'll do it all again
Just sitting around, hanging out this afternoon
The landlord says i should buy a tent \begin{tabular}{ccccc} C & D \end{tabular}
So i doubt, he'll kick me out this afternoon
Down on the corner in a seedy bar \bar{}
Jukebox cranking out the CCR
Had a few, to suzyQ, this afternoon
Better hang on if your tagging along
Cos we'll be doing this till 6 in the morning
Nothing wrong with going all night long

Tough to put the brakes on doesn't matter when you got to
Get up, go out
Me and all my friends
Drink up, fall down
We'll do it all again
Me and all my friends
Drink up, fall down
We'll do it all again
Just sitting around, hanging out this afternoon
don't want a wristwatch, or alarm clock to see what time it is
From the moment i wake up, i just love being with my friends \stackrel{\text{\sc C}}{\sc}
We barely get by, but have the best times and hope it never
We drink all day until we fall down, so we can do it all again
its not human walk Its the human race
If we were living on the edge taking too much space \begin{picture}{c|c} G & D & C & D \end{picture}
So i doubt i'll figure out just what to do \ensuremath{\text{G}}
But kicking around hanging out this afternoon
Better hang on if your tagging along
Cos we'll be doing this till 6 in the morning
Nothing wrong with going all night long
Tough to put the brakes on doesn't matter when you got to
Get up, go out
Me and all my friends
Drink up, fall down
We'll do it all again
Me and all my friends \operatorname{\mathsf{Em}} D
Drink up, fall down
We'll do it all again
Just kickin around, hanging out this afternoon
Just sitting around, hanging out this afternoon
