

Nico - Somewhere There's a Feather

tom:
Capostrate na 1ª casa

Love and learn
Take your turn
Somewhere there's a feather
Falling slowly from the sky
You need not know the reason why

Stand apart
Hear your heart
Someday there will be
Another lover till the end
You need not hold your breath till then
Don't ask me to explain to you

There's nothing to remain but what we see

Fall and climb
Take your time
Somehow you must live up
To the precedents you've set
You need not hope for answers yet
Don't ask me how I know it now
The future does not show itself to me

So love and learn
Take your turn
Somewhere there's a feather
Falling slowly from the sky
You need not know the reason why
