

Nico - There She Goes Again

tom: G G C
 There she goes again
 She's out on the streets again
 She's down on her knees, my friend
 But you know she'll never ask you please again
 [Pre-Chorus]
 Now take a look, there's no tears in her eyes
 She won't take it from just any guy, what can you do

[Chorus]
 You see her walkin' on down the street
 Look at all your friends she's gonna meet
 You better hit her

[Instrumental]
 A C D G x2

[Verse]
 There she goes again
 She's out on the streets again
 She's down on her knees, my friend
 But you know she'll never ask you please again
 [Pre-Chorus]

Now take a look, there's no tears in her eyes
 Like a bird, you know she would fly, what can you do

[Chorus]
 You see her walkin' on down the street
 Look at all your friends she's gonna meet

You better hit her

[Instrumental]
 A C D G x2

[Pre-Chorus]
 Now take a look, there's no tears in her eyes
 Like a bird, you know she would fly, what can you do

[Chorus/Outro]
 You see her walkin' on down the street
 She's gonna bawl and shout
 She's gonna work it
 She's gonna work it out, bye bye
 Bye bye baby
 All right
