

Nicolás Ibarburu - Templo

tom:

Am

Quise recordar el perfume de tu corazón

Hasta escuchar el latido que nos dio el amor

Y comprender que la vida es mucho mas fugaz de lo

Que una estrella se pueda jamás

Imaginar que volas evaporando la razon

Hasta aceptar esa cosa que mostro el dolor

Y por fin escuchar, que la música te mostrara

Esas notas que tienen un templo en el alma

Esas notas que tienen un templo en el alma

Tal vez que dirán quien sos, del fondo de tu corazón

(Db C Bb Cm)
(Fm Bb)

Otra verdad que casi se rompió al pasar

Vuelve a brillar el diamante que estalla en el aire

Luego se esparcirá

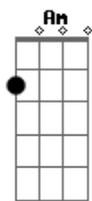

Y solo así mostrara, en su cierto final

Esas notas que tienen un templo en el alma

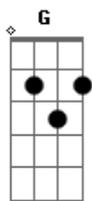

Tal vez te dirán quien sos, del fondo de tu corazón

[Final] Db C Bb Cm
Fm Bb
