

# Nicole Scherzinger - Pretty

Tom: **G**

When I was your woman **G**  
**Em**  
 And you was my man  
 You used to say the sweetest things to me **C**  
**D**  
 But you was always good like that  
 You used to tell me I was pretty **G**  
**Em**  
 The best that you ever had  
 But it was nothing more than boring to you **C**  
**D**  
 Being with the perfect ten  
 So my, my nails were done **G**  
**G**  
 I had my hair on point  
 Got my, my body talking the way you like it boy **Em**

**C**  
 Yes I played the part  
**D**  
 Then you broke my heart  
**G**  
 As if I mean nothing to you  
**Em** **G**  
 Can't believe how you make me feel pretty

**G**  
 Pretty upset  
 Pretty broken  
**Em**  
 I feel so pretty  
**Em**  
 Pretty messed up  
 Pretty much done  
**C**  
 Now without you, super pretty  
**C** **D**  
 I will never be pretty messed up  
**G**  
 I don't wanna be pretty no more

**G**  
 When I was your woman  
**Em**  
 And you was my man  
**C**  
 I tried to share my world with you  
**D**  
 But you was still I don't give a damn  
**G**  
 You just tell I was pretty  
**Em**

And if that's all that I am  
**C**  
 It's like you never even knew me  
**D**  
 Or tried to get know me  
**G**  
 Was just an accessory  
**Em**  
 Oh can't believe  
**G**  
 How you make me feel pretty

**G**  
 Pretty upset  
 Pretty broken  
**Em**  
 I feel so pretty  
**Em**  
 Pretty messed up  
 Pretty much done  
**C**  
 Now without you, super pretty  
**C** **D**  
 I will never be pretty messed up  
**G**  
 I don't wanna be pretty no more

**G**  
 If I have to do it  
**Em**  
 All over again  
**C**  
 I just hope this gon be headed different  
**D**  
 Cause you made me question  
**G**  
 The woman I really am  
**Em**  
 I don't know why I put up with you  
**C**  
 Can't believe

**G**  
 How you make me feel pretty

**G**  
 Pretty upset  
 Pretty broken  
**Em**  
 I feel so pretty  
**Em**  
 Pretty messed up  
 Pretty much done  
**C**

 I will never be pretty messed up  
**G**  
 I don't wanna be pretty no more
