

Nicole Zefanya - I Like U

tom:
G (forma dos acordes no tom de F)
Capostrate na 2ª casa

[Primeira Parte]

F F7 Bb
I guess this is a bitter end I didn't see coming
Bbm
And I'm havin' a little bit of trouble accepting, too
F F7
I don't know what to say to you
Bb Bbm
There's nothing I can do to reset your point of view
F F7
We both said this was just physical
Bb Bbm
Well, one of us lied, can't set feelings aside, truth be told,
yeah
F F7 Bb
You asked to see me once again at half-past ten
Bbm
I got nervous, so I got faded, made things complicated

[Pré-Refrão]

Gm Am Dm
I'm sorry for the stupid shit I said
F7 Bb
You ordered fun, I served you threads

[Refrão]

F
I like you, I like you, I like you
F7
Sorry, I never meant to
Bb
But who we kidding, it wasn't like I had a say
Bbm
One look at you and I won't have it any other way
F
I want you, I want you, I want you
F7
I want you to want me too
Bb
I know that I signed up for this casually
Bbm
But I fell for your tricks, now I'm the casualty

F F7
Can we just reset, restart and then replay

Take me back to when all
Bb Bbm
You wanted was to love on me every day, yeah
F
I like you, I like you, I like you
F7
Words I won't ever hear from you
Bb
Wishin' I could turn back the hands of time
Bbm
To when I feel your hands on me and your lips on mine

[Segunda Parte]

F F7 Bb
I know that that was too much the last time you saw me
Bbm F
And I don't blame you for getting over everything so easy
F7 Bb
But I just can't seem to figure you out you goddamn mystery
Bbm
Good God, how you kiss me
F F7
Didn't think it'd be distress galore

Bb
Thought I just wanted you there
Bb
With your hands in my hair
Bbm
But I craved more
F F7 Bb
And you just wanted rock 'n roll, no heart and soul
Bbm
And I knew that from the beginning
So why don't I feel like I'm winning?

[Pré-Refrão]

Gm Am Dm
Ladies and gentlemen, I'm the joke
Dm F7 Bb
The punchline that got too old

[Refrão]

F
I like you, I like you, I like you
F7
Sorry, I never meant to
Bb
But who we kidding, it wasn't like I had a say
Bbm
One look at you and I won't have it any other way
F
I want you, I want you, I want you
F7
I want you to want me too
Bb
I know that I signed up for this casually
Bbm
But I fell for your tricks, now I'm the casualty

F F7
Can we just reset, restart and then replay

Take me back to when all
Bb Bbm
You wanted was to love on me every day, yeah
F
I like you, I like you, I like you
F7
Words I won't ever hear from you
Bb
Wishin' I could turn back the hands of time
Bbm
To when I feel your hands on me and your lips on mine

[Terceira Parte]

Dm Am F7 Gm
Something 'bout you makes me difficult

But that makes us even 'cause you top of the charts
Bb F
Egotistical, it's so typical
Gm
For me to fall for your kind
Am
But, oh God, I wish you were mine

[Refrão]

F
I like you, I like you, I like you
F7
Sorry, I never meant to (sorry)
Bb
But who're we kidding, it wasn't like I had a say
Bbm
One look at you and I won't have it any other way
F
I want you, I want you, I want you

F7
 I want you to want me too
Bb
 Would it be a stretch if I asked you to try again?
Bbm
 I'll be patient, I swear I'll even count to ten

 One, two, three, four, five

 Fuck it

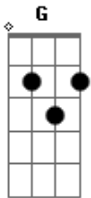

F **F7**
 Can we just reset, restart and then replay

 Take me back to when all

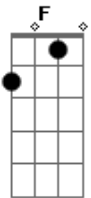

Bb **Bbm**
 You wanted was to love on me every day, yeah
F
 I like you, I like you, I like you
F7
 Words I won't ever hear from you
Bb
 Wishin' I could turn back the hands of time
Bbm
 To when "I like you" was only just a secret
F
 Crime

F
 Yeah, uh
