

Nightwish - Where Were You Last Night

Tom: C

Still, spinning around in my head,
How I regret, everything that I said.
Why, did I tell you to go?
Saving my pride, but losing my soul

I'm here all alone,
still wait by the phone.
The hours go by,
what else could I do but to cry?

I call and I call just to make things right,
have I lost the fight where were you last night?
I beg and I cry I keep asking why,
where were you last night, where were you last night?

Lost, in the darkening fears,
If only you saw the tracks of my tears.
I think I'm losing my mind,
where did you go, and what did you find?

I'm here all alone,
still wait by the phone.
The hours go by,
what else could I do but to cry?

I call and I call just to make things right,

have I lost the fight where were you last night?
I beg and I cry I keep asking why,
where were you last night, where were you last night?

I call and I call just to make things right,
have I lost the fight where were you last night?
I beg and I cry I keep asking why,
where were you last night, where were you last night?

I'm here all alone,
still wait by the phone.
The hours go by,
what else could I do but to cry?

I call and I call just to make things right,
have I lost the fight where were you last night?
I beg and I cry.....

I call and I call just to make things right,
have I lost the fight where were you last night?
I beg and I cry I keep asking why,
where were you last night, where were you last night?

Where were you last night, where were you last night?
